Google Chrome and Google Email Workshop

This workshop will instruct participants on how to use Google resources including setting up an email account, web browsing, file sharing, and the Cloud.

Saturday - June 27th 11 - 12:30 p.m. - Daniel Island

Tuesday - July 14th 5 - 6:30 p.m. - Hanahan

Adult Summer Reading Program

This Summer, adults are welcome to join in on the fun and win prizes just for reading. All you have to do is complete an entry slip at your local library for every book or e-book you read to enter your name into the drawings for weekly prizes and a grand prize which includes a Kindle Fire! See your local library for full details.

For Technology Classes and Workshops, it is recommended that all attendees have prior experience with a mouse and keyboard.

Seating is limited; please register online or at your local library.
